Doesn’t matter if your project is Architectural, Structural, Mechanical, Plumbing or Electrical, join us and learn more tips and tricks from this Month’s BIM / Revit Education

Building YOUR Revit Knowledge!

TIPS & TRICKS

Let’s meet and discuss Revit and BIM. Bring your tips and tricks!

Have a Revit question? We will try and answer them.

Want to know how to get started in Revit? Let’s talk!

When:
Tuesday, June 20, 2017
Meet and Greet 5:30 PM
Presentation 6:00 PM

Where:
SMBH, Inc. | 1166 Dublin Rd. #200, Columbus, OH 43215
P 614.481.9800
You will need to turn onto Urlin Avenue off of Dublin Road in order to get to our front door no matter which direction you are coming from – assuming you will be on Dublin Road. Once on Urlin Ave., you take the 2nd left into our driveway (right before the RR tracks). We are all the way at the end, last building on the left – Suite 200.

Dinner provided by Imaginit
