THE MAN BEHIND THE CAMERA: REECE THOMPSON

You've probably seen a new face around AIA Columbus events, and that is of Reece Thompson, the chapter's videographer. Reece makes videos, but he specializes in all aspects of media production. He graduated with a degree in English from the Ohio State University in 2012 and has written a number of stories, essays, and
screenplays. Click here to view some of his work on the AIA Columbus Vimeo page. Say hello the next time you see him!
