RUSH CREEK VILLAGE EXHIBIT

Neighborhood in Harmony with Nature
Presented Tonight!

This presentation will focus on the state of Rush Creek Village and include fundamentals and technical aspects of existing conditions, the technical development of architectural elements for preserving this unique architecture as RCV enters the future within a historical neighborhood rooted in the past but planning for the future. AIA Columbus is pleased to be one of the sponsors for this important exhibit.

Rush Creek was conceived by Dick and Martha Wakefield, who were interested in building a community based on Frank Lloyd Wright's organic principles.

Location: Peggy R. McConnell Arts Center, Main Gallery

Date: Thursday, September 25, 2014

Time: 6:00 PM

**DESIGN WEEK[S]**  
**September 19, 2014 - October 11, 2014**

Events are in full swing for the annual Columbus Design Week[s], organized by The Center for Architecture and Design. With many organizations collaborating, Design Week[s] is a great opportunity to showcase local design in a variety of areas.

AIA Columbus is proud to be a sponsor of Columbus Design Week[s]. Click here for the full calendar of events Design Week[s] calendar!

- **September 27:** Seventh Son Tailgate  
- **October 2:** Design Talks: Image of Our City  
- **October 4:** EMERGENCY! Design for Stressed Futures: Charrette  
- **October 5:** design:ROLLS City Tour  
- **October 11:** City Sketch Crawl

---

**DESIGN TALKS: IMAGE OF OUR CITY**  
**Thursday, October 2, 2014**

Be sure to stop by The Center for Architecture and Design next Thursday as the monthly Design Talks series continues. This months topic is will be a panel discussion titled *The Image of our City.*

**Date:** Thursday, October 2, 2014
COTE CHARRETTE
**Final Push For Teams!**
Saturday, October 4, 2014

The year is 2050, the environment fractures. Teams choose one of three scenarios and compete or collaborate for survival: an island site threatened by rising waters, an unstable hillside outside a dysfunctional city, or an escape pod from Earth. Make survival worth living through design.

Saturday, October 4, 2014
9:30 AM - 4:00 PM
The Center for Architecture & Design

5.0 HSW LUs
$150 per team
$30 per individual
Free for students
Top Prize - $250

Registration is required. Email jiseler@aiacolumbus.org to sign up. More Information

OCTOBER MUNCH AND EARN
**Concrete Waterproofing with Crystalline Technology**
Thursday, October 9, 2014

Location: The Center for Architecture and Design

Time: 12:00 PM - 1:00 PM
Free and open to the public.
To find out more, [follow this link](https://ui.constantcontact.com/visualeditor/visual_editor_preview.jsp?agent.uid=1118551360247&format=html&print=true).
This presentation explores how crystalline technology provides a high level of performance to concrete mixtures, material and structures and what design professionals need to know in order to specify and understand how this chemical technology will enhance building projects.

Munch on some lunch while earning Continuing Education Credits!

**MORPC'S 2014 SUMMIT ON SUSTAINABILITY AND THE ENVIRONMENT**

"Building a Sustainable Future"

Friday, October 10, 2014

Don't miss out on the 2014 Summit on Sustainability & the Environment presented by the Mid-Ohio Regional Planning Commission (MORPC), taking place on October 10 at Hilton Columbus Downtown. The Summit is MORPC's signature environmental conference, bringing hundreds of community leaders together to explore and share sustainable solutions. This year's theme, Building a Sustainable Future, focuses on sharing best practices that can be applied by local governments, businesses, and residents to improve the built environment in which we live. These examples are brought to attendees in six main categories: 1) active transportation, 2) water quality, 3) energy & air quality, 4) materials management, 5) local food, and 6) sustainable development.

AIA Columbus is working with MORPC to provide learning units for this annual symposium.

Please contact [Amanda McEldowney](mailto:Amanda.McEldowney@morpc.org) to learn more about sponsor and exhibitor opportunities.

Tickets are $85

Friday, October 10, 2014
8 AM - 3 PM
Hilton Columbus Downtown
AROUND THE CHAPTER

AIA COLUMBUS RECEIVES NATIONAL AIA GRANT

AIA Columbus was recently selected to receive a $2000 Emerging Professional Component Grant from The College of Fellows for The Weight of Architecture Design Service Grant project. This grant was established to assist AIA components in the development of programs which foster the mission of Young Architects and Associates. Earlier this summer AIA Columbus also received a $1500 Advocacy Grant from AIA Ohio for The Weight of Architecture.

All the projects will be displayed at the Annual Chapter Meeting on October 28, 2014.

AIA COLUMBUS WORKING ON NEW STRATEGIC PLAN

AIA Columbus leadership has started work developing a new Strategic Plan for the Chapter. This new plan will build on the success of our previous plan which was last done in 2008 and laid the groundwork for establishing the Center for Architecture and Design. We look to provide a strategy that will help us elevate public awareness about the value of architects, advocate for the profession and expand and share knowledge to ensure a prosperous future.

SAVE THE DATE: ANNUAL MEETING OCTOBER 28TH

Be sure to save the date of October 28th for the AIA Columbus Annual Meeting. Watch for more information, but the meeting will include the Annual Business Meeting and election of officers and directors, the big "reveal" for the Weight of Architecture Design Service Projects, announcement of the winning team from the COTE Charrette, and a keynote address from Greg Kearley, AIA, and Executive Director of Inscape Publico, a 501c3 nonprofit design firm. More details to come.

AROUND THE AIA
AIA UNIVERSITY
Introducing AIAU, a dynamic new way to earn continuing education credits online. Earn LUs just in time—and members pay just $25. Leading experts teach courses on trending topics in architecture and design to keep you on top of your field and your LU requirements. To check out the courses offered and find out more, click here.

AIA NATIONAL COMMITTEE CALL FOR NOMINATIONS
AIA Columbus members are encouraged to participate in the national committee process for 2015. With the changes in governance approved at the national convention in June, AIA is likely restructuring many of its committees. Although we cannot guarantee all committees will exist in their current form due to being a year of transition, this is an opportunity to be involved at the national level.

The list below are several opportunities for appointment:

- AIA/AGC Joint Committee
- ArchiPAC Steering Committee
- Codes and Standards Committee
- Continuing Education Committee
- Disaster Assistance Committee
- Diversity Council
- National Ethics Council (must be an Architect member, per the Institute Bylaws)

With the formation of the new Strategic Council, there will likely be additional committees, task forces, work groups, etc., needed to inform discussion.

If you are interested in national committee service, please email Gwen Berlekamp with a letter of interest and your subject matter area(s) of expertise. AIA leadership will review all submissions and work to find a mutually beneficial assignment. Nominations are due by Friday, October 24th. Appointments have varied terms but will be effective

YOUR INPUT NEEDED ON THE AIA PUBLIC POLICY AND POSITION STATEMENTS
Read and comment on the statements up for review this year. Deadline for member comments is September 30, 2014.
AROUND THE PROFESSION

WORKPLACE OF THE FUTURE DESIGN COMPETITION
Deadline October 6, 2014
The Workplace of the Future 2.0 Design Competition presented by Metropolis Magazine and Business Interiors by Staples, asks the design community to imagine what our work lives will be in the next 10 to 15 years. The $7,500.00 prize, plus world-wide publicity for the winning entry will help position the chosen team or individual as leaders in innovative workplace design; it will also help propel their vision forward. There will also be a $2,500.00 runner-up prize.

RECCHIE DESIGN AWARD FINALISTS
Celebrate the Finalists and Toast the Winner October 9th
Columbus Landmarks Foundation has announced five finalists for the 2014 James B. Recchie Design Award honoring excellence in urban design. The winner will be announced at the event. The award will be the 25th given in honor of the late James B. Recchie. The award celebrates projects that add to the distinctive character and improved quality of life of Columbus and the designers responsible for them. More Information go to Columbus Landmarks for more information.
