OHIO ADVOCACY OPPORTUNITY - 2015 MODEL BUILDING CODE

Architects from around the AIA Ohio region, led by David Collins, FAIA from AIA Cincinnati, are organizing a group from across the State of Ohio to review the new 2015 Model Building Code to understand its impact on how AIA members practice architecture. One of the objectives of this group will be to make recommendations to the Ohio Board of Building Standards on behalf of AIA Ohio members. The group is currently looking for 2-3 members from the AIA Columbus chapter to participate in this process. If you are interested in learning more about this, or in participating, please contact Gwen Berlekamp at gberlekamp@aiaohio.org.
